SOUTH AMERICAN NEEDS MUST BE SUPPLIED BY US

European war, but for which she is herself in no way to blame. This sit-uation presents the United States with R grave duty and responsibility as well

that we may make at home the things DARK TOBACCO IN

acason, thousands of farmers will sell at the reduced prices, and there is no way to stop them.

"Again we advise patience. There is plenty of time to move the crop. We believe honestly that the skies will soon be clear, and that the business of the world will move forward, regardless of war."

TIME OF GREAT WAR

(Continued from First Page.)

The Commonwealth Sets Good Example, South of Uk look This South American problem of necessities become and so acute has the South American republic to the configuration of the South American Union, which is an order to state of the South American Union, which is an order to state of the South American Union, which is an order to state of the South American Union, which is an order to state of the south of

NEW BUSINESS COMING UP

the farm committee of the board of visitors of the Virginia Polytechnic Institute, with T. O. Sandy, chief of the State demonstration agents, spent a day here this week, inspecting the THE IMPRACTICAL THING
THAT CAN'T BE DONE
It would, indeed, be a very fine thing if the farmers' unions or the United States government could induce these foreign governments, which hold mo-

PECULIAR CONDITIONS IN BRUNSWICK COUNTY

ers would be jubilant.
But in the remaining one-sixth of the county, in the extreme northwest corner, the drought conditions are distressing. One of the oldest inhabitants of that section said that it had not been so dry at this time of the year for forty-three years. In some places the tobacco plants are about the size of lettuce leaves, and the corn is stunted and twisted, so it will hardly stunted and twisted, so it will hardly be worth cutting.

HOUSTON TAXATION PLAN

One-Sixth "Dry"—Tobacco
Notes.

LAWRENCEVILLE, VA., August 20.

—A most peculiar contrast in crop conditions exists in Brunswick County. In about five-sixths of the county the season has been unusually fine. Tobacco, corn, cotton and peanuts are all in excellent condition, and, but for the uneasiness about tobacco prices, on account of the European war, the farmers would be jubilant.

But in the remaining one-sixth of County, in the county in the county, in the county in the county, in the county in the county, in the county in the county, in the county, in the county in the co HAS A STRONG ADVOCATE dozen pieces of land are assessed as high as \$1,600; the rest of the sixteen square miles of Houston is assessed at from \$100 to \$1,500 an acre. But vacant land is assessed at the same vacant land is assessed at the same rate as the neighboring land on which is a temple of industry. The me-chanic who builds himself is not taxed

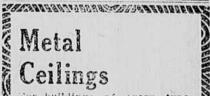

PAINTS

one cent extra for his industry and thrift over his neighboring owner, who prefers to let his land lie idle.
